Dan,

Thanks for the information. We can plan to meet at my office which is located at the main entrance of the landfill at 10 am. I will have a van large enough to hold the number of people you stated below. Please let me know if anything changes and we will adjust.

Sincerely,

Brian J. Power

Subject: RE: Bridgeton Landfill Tour

Brian, thanks in advance for your assistance with this. I anticipate a total of six EPA folks attending: myself, Jeff Field and Cecilia Tapia of Region 7; and Jim Woolford, Doug Ammon and Dana Stalcup from EPA HQ. No other stakeholders have been invited to this site tour. I anticipate we'll get started around 10AM to allow time for the Regional folks to fly in that morning. I expect the HQ folks will be wanting to see the OU-1 cells as well as the Bridgeton Sanitary Landfill cell. I do not expect to hold any sort of on-site meeting before or after the tour, other than whatever safety briefing Republic will require. EPA personnel won't have PPE with them, so the tour will have to be a windshield tour.

Sincerely,
Daniel R. Gravatt, PG

Mr. Gravatt,

Victoria Warren informed me that you may be needing a tour of the Bridgeton Landfill on May 15, 2014. Please let me know what I can do to assist you with that. All I need to know is the time, the number of people and what area of the landfill you would be interested in seeing.

Please feel free to contact me with any questions.

Sincerely,

Brian J. Power
